Restructuring of command area development programme

2776. SHRIMATI N.P. DURGA: Will the Minister of WATER RESOURCES be pleased to state:

(a) the year-wise and State-wise budget that has been earmarked for Command Area Development Programme during the last five years;

(b) whether it is also a fact that Government are seriously thinking of restructuring the above programme to make to more beneficial to the frarmers; and

(c) if so, the details thereof?

THE MINISTER OF WATER RESOURCES (SHRI ARJUN CHARAN SETHI): (a) Under the Centrally Sponsored Command Area Development Programme Statewise allocation of budget is not being made as the funds under the scheme are reimbursed to State Governments on the basis of physical and financial progress. The year-wise and State-wise release of funds under the scheme during the last five years is given in the enclosed Statement-I.

(b) Yes, Sir.

(c) Keeping in view the recommendations of the Working Groups of the Planning Commission, the suggestions of the Ministry of Finance and the views expressed by the State Governments, the Command Area Development Programme has been restructured to include some new components and delete a few of the ongoing items. The components of the programme proposed to be deleted during the X Plan are land levelling and shaping, sprinkler and drip irrigation, conjuctive use surface and ground water, crop compensation and introduction of suitable cropping patterns as these are primarily subsidy oriented and the Ministries of Agriculture and Rural Development have provision for such activities under their existing schemes. Some new components aimed at correction of deficiencies in the irrigation systems, renovation of Minor Irrigation tanks, and intermediate/link drains for facilitating drainage have, however, been added to the programme to make it more beneficial to the farmers.
